

PHCC *Plus* **CARE** **Health Plan**

- + Comprehensive medical and prescription drug benefits.
- + Easy access to local, regional and national PPO networks.
- + Additional benefits available for vision, dental, group life, and short-term disability.
- + Up to \$1 million per covered person per year.
- + Plan deductibles starting as low as \$250.

The **PHCCare Plus Health Benefit Program** is available to members (and their employees) of the Plumbing, Heating and Cooling Contractors Association (PHCC) and offers innovative, quality-based solutions that help plumbing-heating-cooling contractors better manage this major expense.

Established as a non-profit health and welfare benefit trust, the PHCCare Plus program is built exclusively for the purpose of preserving quality health care benefits for American plumbing, heating and cooling contractors and their employees.

With health insurance expenses threatening the vitality of American businesses, the Plumbing, Heating and Cooling Contractors Association offers this unique solution to one of your greatest business challenges.

With access to America's largest independent network of health care providers, and innovative health plan designs, the PHCCare Plus program offers solutions to thousands of employees nationwide.
